

Letter of Consent

Consent for access and installation to and on the following premises:

Street:	
Suburb:	
Town:	

I, _____ (Name of owner of property), authorize MegaFibre; its cobuild partners and its contractors to access the aforementioned premises for the purpose of installation.

Should MegaFibre install its fibre optic network infrastructure and related equipment in the aforementioned premises, MegaFibre undertakes to ensure that:

- Its contractors carry out the works in a professional manner and in accordance with health and safety regulations;
- Instructions are adhered to;
- Disruptions are minimized;
- The site where the works are to be undertaken is kept tidy and reinstated;
- MegaFibre will not be held responsible for any damage to plants, irrigation systems, power cables and paving unless clearly marked out for us.

Should MegaFibre’s fibre optic network infrastructure and related equipment be installed within the premises, I confirm that it shall remain the property of MegaFibre.

I, _____ the owner of the property will protect the infrastructure by not digging in and around the area of the cables and will ensure not to damage the cables at all cost.
